DIRTY DOGS

Sausage Lovers, Put your hands up!

We love a good sausage and we invite you to enjoy ours.

Our sausage selection is vast; some rather large, others quite little; some are quite 'robust' and we have a selection that is somewhat lean but ultimately, years of professional cookery has taught us that whilst the sausage selection is so very important, its how you work with it that makes the biggest difference.

So... We'd Like to offer you one of our favourite sausage parties:

If you like Eastern European Sausage, we recommend:

Eastern Euro Sausage Trip

Think German sausages vs Polish ski trip; a hearty selection of firm smoked sausages with breads, condiments, cabbage salads and condiments.

~

If you Rather your sausage form the USA, may we introduce:

Frank's Furters

A variety of USA inspired deli dogs, with chilli beef, cheese sauce, crispy onion and pickles, served buffet style for you and your guests to build as you go. with salads and sides.

~

If English is your thing, then look no further than:

The Farmers Sausage Fest

A mix of English style sausages, cooked simply and served with some soft rolls, condiments and salads.
